You have your packet, now what?

Please give everyone in your organization an opportunity to donate by distributing the pledge cards and brochures provided in this packet. The best way to have a successful campaign is to encourage your coworkers to donate and to incorporate fun fundraising activities into your campaign. Plan to have everything turned in to United Way by November 30th.

How to have a successful Campaign.

Corporate Gift: Many businesses will match their employee's donation to double the impact and rally employees.

Workplace Giving Campaign: Distribute pledge cards and ask employees to give.

Fundraising Activities: Coordinating fundraisers in your business and throughout the community is a good way to bring your employees together while raising money for a good cause.

We didn't receive enough materials.

If you need more pledge cards or brochures, call 405-377-2161 or email info@unitedwaypaynecounty.org and we will bring more to your office. You can also find all materials including videos, logos, and more on our website at unitedwaypaynecounty.org.

I'm not good at planning events, what should I do?

Examples of fundraising activities are available on our website. If you need help planning an activity, call the United Way office at 405-377-2161 or email info@unitedwaypaynecounty.org.
