LEAVE A LEGACY

A Planned Gift is any donation made as part of an individual's overall financial and/or estate planning. Planned giving is a wonderful way to ensure the community we all care about has the ability to continue to address the needs of its residents and allow individuals to meet personal, financial, and philanthropic goals in tax-efficient, estate-friendly ways.

MEET THE MEMBERS

Clement and Mimi Ward have called Stillwater home for 47 years, demonstrating their deep commitment through active church involvement and service on multiple nonprofit boards. They have been steadfast members of the United Way of Payne County Leaders Society since 1997 and continue to give back to their community to this day.

“After my 12th year on the UWPC board, I have learned so much about our community, its varied needs, its wide array of resources, the incredible partner agencies we have and how they contribute to the quality of life for so many in Payne County.” - Clem Ward
